# HOW TO USE THIS BOOK

**QUICK-SPELL™** Word Finder is a wordbook, a collection of several thousand of the words you will use in writing. **QUICK-SPELL** Word Finder is a tool for you as a writer. You know what you want to say, know what words you want to use and, like anyone else, you are uncertain about the spelling of some of them. Probably, for your final draft of writing, you will want to check some spellings so your ideas are expressed in the best possible form. **QUICK-SPELL** Word Finder is designed very simply. Over 3,000 entry or base words are listed alphabetically. Beside most entry words are several other forms of the word.

For example:

**pass** passes, passed, passing, passer, passable, past, passer-by, passage, passenger, passageway

**QUICK-SPELL** Word Finder is a very handy, quick word locator. It's meant to do only one thing for you: to provide you, the writer, with a quick way to check on the spelling of a word.
