Get to Know i-Ready Assessment
Providing educators the most accurate and actionable data to help guide students toward continued growth

See Students Grow
Educators know there is no single way to close the achievement gap. But the pathway to proficiency begins with passionate teachers and practical data. i-Ready Assessment shows how much growth is needed to reach grade-level expectations and what students need to do next to get there:

- **Gives every student an aspirational, attainable goal** to reach grade-level standards
- **Provides data that always informs** teaching and learning
- **Connects seamlessly to instructional resources** that support the needs of all students

Prioritize Student Needs Using Data
i-Ready Assessment helps ensure educators have the data they need to target instruction where it’s needed most. With i-Ready Assessment, educators can:

- Efficiently understand current deficits
- Set goals and continually track growth
- Make decisions when state assessment and spring formative data aren’t available.
