

Fridge Tips

FOR *Online Lessons
at Home*

Prepare Them

Make sure students have what they need:

- ✓ A quiet place to work on lessons and activities
- ✓ A device that works with the instructional program and has a consistent internet connection
- ✓ Login information and headphones
- ✓ Paper and pencil for tracking their lesson progress

Help them focus:

- ✓ Plan together for how they will spend their time and when they will work on their learning activities.
- ✓ Encourage them to take their time, ask questions, and write things down.

Support Them

Keep students motivated:

- ✓ Explain that **working on lessons will help them** continue their learning and make sure they are ready for the next grade level.
- ✓ Encourage them to **take each lesson and quiz seriously**.
- ✓ Remind them that **mistakes are part of learning**, and they are okay.

Help them track progress:

- ✓ Get them talking about lessons and what they're learning.
- ✓ Check in at the end of their lessons. Ask them to tell you or write down what they learned and if they have questions.

Celebrate Them!

Celebrate their progress:

- ✓ Celebrate milestones, such as passing a lesson or reaching a goal (e.g., putting marbles in a jar after passing lessons).
- ✓ Reward hard work and focus.
