

Options for Integrating *i-Ready* into Your Summer Learning Plans

We know that everyone is in a different place, and that there is no “one-size-fits-all” as districts navigate implementing summer learning this year. No matter the structure of your summer program, *i-Ready* has versatile resources to fit your instructional needs. Consider the options below:

STUDENT-LED INSTRUCTION

i-Ready Personalized Instruction provides efficient, proven instruction and interactive Learning Games to engage students and help them to access and master grade-level concepts.

OPTION 1*

Automated Personalized Lesson Path

Students automatically receive personalized online lessons based on their unique needs informed by the Diagnostic.

OPTION 2

Automated Grade-Level Lesson Path

Students automatically receive online lessons covering appropriate grade-level content.

OPTION 3

Educator-Assigned Lessons

Students receive online lessons selected and manually assigned by an educator.

TEACHER-LED INSTRUCTION

i-Ready instructional resources provide extensive support for skill-specific instruction and practice that enable teachers with diverse levels of experience teach students the skills they need.

- **Practice Packets (K–8):** Self-directed exercises and practice to reinforce key concepts.
- **Tools for Instruction/Tools for Scaffolding Comprehension** (K–8):** Actionable, in-the-moment lesson plans that address challenging skills and standards.
- **Teacher Toolbox† (K–8):** A digital collection of multimedia instructional resources.
- **Ready†:** Targeted resources for focused instruction in Reading (K–8), Mathematics (K–8), and Writing (2–5).
- **Ready Classroom Mathematics† (K–8):** A comprehensive core mathematics program that makes math accessible to all students.
- **PHONICS for Reading† (3–12):** A research-based reading intervention program that provides explicit phonics instruction to older students who haven’t yet mastered decoding.

*Available only for students who have taken a Diagnostic. Please speak with your educational consultant to understand options and implications.
