Top 10 Reasons to Choose i-Ready

1 **Built for the Utah Core Standards**
Not just aligned, our brand new content guarantees students get the most rigorous assessment and instruction out there and that teachers are provided with the most current teaching best practices. This includes updated reports for the new Utah Core Math standards.

2 **Software as a Service (SaaS)**
i-Ready is constantly evolving and improving. The product is updated at least four times per year, at no additional cost to users. Most recently, the program has been overhauled for Back to School 2018–2019.

3 **A Company that Serves**
At minimum, three local service and support personnel are assigned to each account, in addition to the account's sales representative.

4 **Proven to Predict and Proven to Work**
Third-party research proved that *i-Ready* predicted student performance on high stakes assessments and improved student growth and performance. *i-Ready* correlated to SAGE at .85.

5 **100% Money Back Guarantee**
If you're not completely satisfied, we will return your investment. There's never a risk to you.

6 **Assess Less, Know More**
Streamlined and thorough assessments that provide valid and actionable data eliminate the need for additional screeners, end-of-course assessments, duplicative and/or ineffective intervention tools, and practice programs.

7 **One Continuous Growth Measure for K–12**
Provides the ability to track performance through a student's entire school career.

8 **Assessment and Instruction in One Product**
Assessment results tied to instruction make a difference and provide those critical next steps, immediately resulting in decreasing teacher lesson prep and increasing student learning time–it's like having a virtual teaching assistant for everyone.

9 **Complete Suite of Assessment Options**
Assess students globally and by standard. Monthly growth mini-assessments, Standards Mastery assessments, instructional skill quizzes–all tie to real-time student, class, grade, school, and district reporting so there can be quick and immediate course corrections and interventions.

10 **Nationally Recognized**
Winner of CODiE, District Administration Top 100, Tech & Learning Awards of Excellence and Stellar Service, as well as many more.
