## Amazing Animal Acrobats

Come see these amazing animal acrobats!

At first, Ava the alligator hops on top of an acorn.

After that, Abdul the anteater climbs on Ava.

Then a hundred ants crawl on top of Abdul.

Now they are all ready!

Uh, oh...

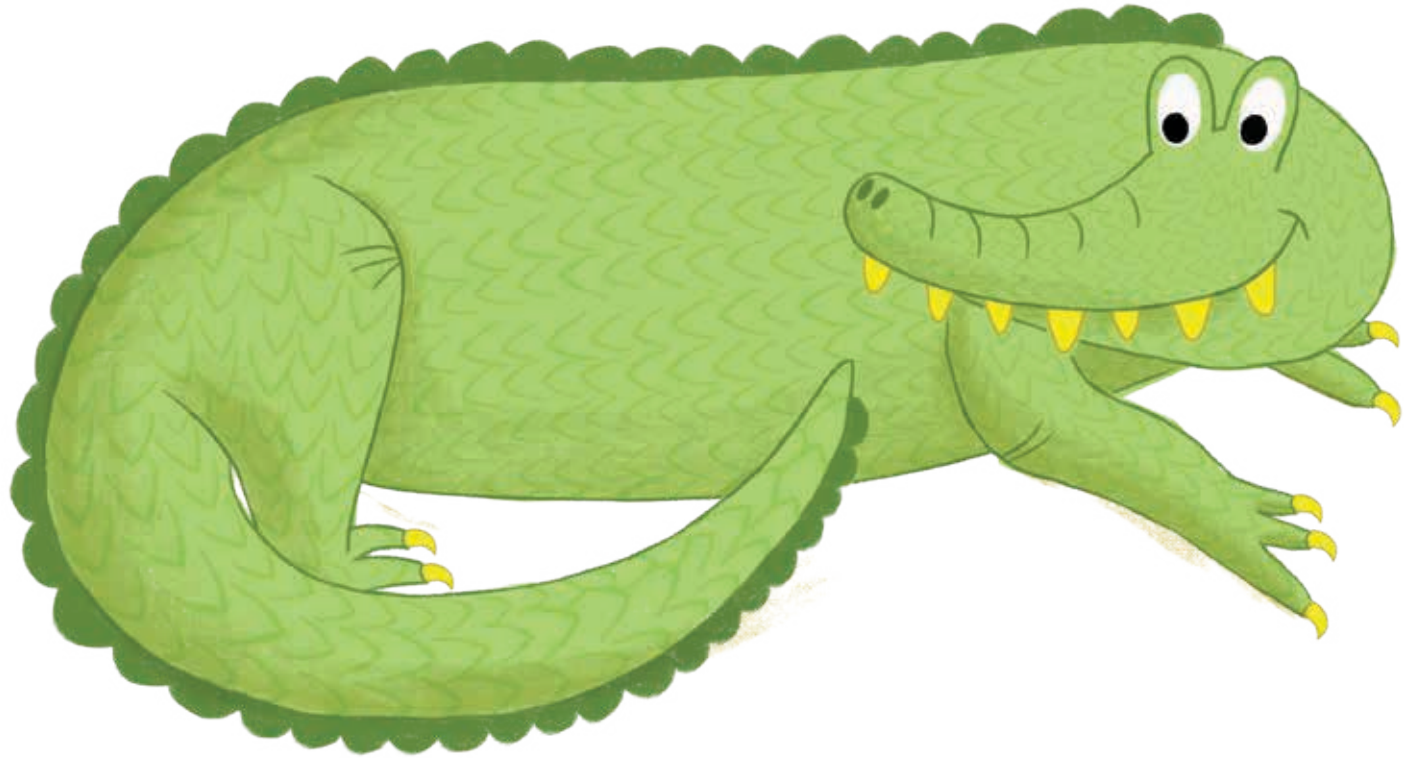

The ants make Ava sneeze.... AH-CHOOO!!!

They are all okay! They can try again another day.

## Munching Monkeys

It was a misty morning.

Mom handed me the map.

We marched around the mountain.

Then we sat down on a mat.

We saw monkeys munching melons.

They munched on mushrooms too.

They munched and made a marvelous mess.

That's what monkeys do!
