Summer Learning with i-Ready
Many Needs, One Comprehensive Program

We understand that summer learning needs are increasingly complex. Whether your summer learning plans include addressing unfinished learning, reinforcing grade-level concepts, or extending your current school year, i-Ready provides instructional tools to support remote or in-person summer learning programs.

Leverage Your Data

✓ Actionable Data for Efficient Planning
Use in-depth reports to understand whole class, small group, or individual students’ needs to make the most of your instructional time.

✓ Scaffolds for Grade-Level Success
Reports and guidance help teachers address unfinished learning, strengthen critical prerequisite skills, and cover grade-level concepts.

Personalize Instruction

✓ Works Anywhere
i-Ready Personalized Instruction helps students build skills regardless of "place"—i-Ready works at home, at school, and at any hour.

✓ Student-Owned Learning
i-Ready allows students to continue learning through explicit instruction and engaging games, even when a teacher can’t be present.

Support with Print

✓ Balance Screen Time
Book-based instruction and printable resources ensure every student has access to content in any setting.

✓ Accessible Rigor
Teaching tips and support in every lesson help educators with a diverse level of teaching experience deliver rigorous instruction and differentiate with ease.
## Ideas for Leveraging *i-Ready* Resources in Your Summer Learning Plans

We know that everyone is in a different place, and that there is no “one-size-fits-all” as districts navigate implementing summer learning this year. No matter the structure of your summer program, *i-Ready* has versatile resources to fit your instructional needs.

### Implementation Ideas

<table>
<thead>
<tr>
<th>Allow students to work independently on additional instruction and practice</th>
<th>Provide students the critical instruction to get them ready for the next grade level</th>
<th>Boost foundational skills in striving readers</th>
</tr>
</thead>
</table>
| • Students work on their *i-Ready* personalized lessons and Learning Games for 30–49 minutes per subject per week.  
• Families and/or educators support students as they track their own progress.  
• Educators monitor usage and track and recognize progress throughout the summer, culminating in a larger celebration. | • Teachers provide direct instruction on select prioritized skills using Tools for Instruction, resources from the Teacher Toolbox, and/or their core math program.  
• Students work on their *i-Ready* lessons, either as informed by their personalized pathway, or manually assigned strategically based on a prescribed scope and sequence. | • Teachers or paraprofessionals provide explicit phonics instruction daily following the routine-based *Phonics for Reading™* program.  
• Students work on their *i-Ready* personalized lessons based on their unique needs informed by the Diagnostic. |

### Activities Students Can Do Independently (K–8):

- **i-Ready Online Lessons**: Lessons provide engaging, explicit instruction and practice that is just right for each student and proven to build their skills for grade-level success.
- **Learning Games**: Interactive games that deliver fun, engaging math fluency practice.
- **Practice Packets**: Self-directed exercises and practice to reinforce the key concepts of each grade.
- **Develop Session Videos**: Assignable videos to help students continue their learning of mathematics.

### Supports for Teacher-Led Instruction (K–8):

- **Curriculum and Pacing Guidance**: Lists of priority skills to cover for each grade and suggested scope and sequence to help plan instruction in the summer.
- **Tools for Instruction/Tools for Scaffolding Comprehension**: Actionable, in-the-moment lesson plans that address challenging skills and standards.
- **Teacher Toolbox**, *i-Ready Classroom Mathematics, and Ready*: Targeted multimedia resources for focused instruction in Reading, Mathematics, and Writing (2–5), available digitally and in print.
- **Phonics for Reading† (3–12)**: A research-based reading intervention program that provides explicit phonics instruction to older students who haven’t yet mastered decoding.

---

*Available only for students who have taken a Diagnostic. Please speak with your educational consultant to understand options and implications.**Included with purchase of *i-Ready* Diagnostic. †Available for purchase separately from *i-Ready Personalized Instruction. ††i-Ready Classroom Mathematics users only.
